ABSENCE OF SUBSTANCES OF VERY HIGH CONCERN (REACH)

We declare that in the manufacturing of the Aluminium and Aluminium Alloy products produced by

Arconic-Köfém Mill Products Hungary Kft

the substances of very high concern included in the last Candidate List agreed by the ECHA Member State Committee (last update 17 January 2023) are not intentionally used nor added, in any step of the manufacturing process. All the substances used are within the framework of REACH regulation.

Signed for and behalf of the manufacturer by:

Péter Bereczki PhD
FRP Quality and Product Development Manager

Székesfehérvár, January 20. 2023.
