NEW COLOURS

2026 Edition - Expanding design possibilities

INTERSTELL'ART COLLECTION

The Interstell'Art Collection by Duragloss® ClearStudio is the choice for anyone who wants to make an astronomical impact. Our new coating quality, Duragloss® ClearStudio, makes it possible to create patterns that are out of this world while providing weather-resistant façades that endure.

The Interstell'Art Collection brings you an infinite universe of possibilities, capturing the awe-inspiring wonder and magic of galaxies filled with unearthly beauty and putting outer space in the spotlight. At the same time, Reynolux® coil coated aluminium delivers the solid, down-to-earth performance on which you can rely.

Visit our website to see more of the cosmic colours in our Interstell'Art Collection or to request a breathtaking custom colour perfectly capturing your vision.

The sands of time might slip through your fingers, but the Timeglass Collection endures.

Timeglass draws inspiration from the unknowable depths of time and the intricate complexities of sand to create a collection that is both mysterious and captivating.

Brought to life in Reynolux® coil coated aluminium, it combines timeless aesthetics with exceptional durability, reliability and long-lasting performance. Timeglass brings together a broad range of colours shaped by the character of sand, opening up endless design possibilities.

TIMEGLASS COLLECTION

ANODIZED LOOK COLLECTION

Your imagination. Our colours. Limitless possibilities.

Anodized aluminium enhances iconic skyscrapers and commercial buildings worldwide. Replicating that appearance with a coil coating process is challenging but our expert team has risen to the challenge. From classic subtle beauty to the elegant dazzle of champagne, our striking Anodized Look Collection brings style and glamour to any project.

For visual appeal with a beautifully smooth, coil coated finish, the Anodized Look Collection cannot be beaten.

ICONIC COLLECTION

Our Iconic Collection delivers the sleek and classic simplicity of colours from deep black to pure white, passing through timeless metallic shades including silver. We're opening the doors to a new world – with 'Iconic' you can create instantly recognisable buildings that immediately become architectural landmarks. With our colour palette, and your creative designs, we can take the beauty of aluminium to a whole new level. Together, we can redefine the art of building.

When you need a look everyone will remember, think 'Iconic'.
