

CALIFORNAI PROPOSITION 65 Compliance Declaration

We declare that in the manufacturing of the aluminium and aluminium alloy products produced by **Arconic-Kőfém Mill Products Hungary Kft.** compliance with **California Proposition 65**, officially known as the Safe Drinking Water and Toxic Enforcement Act of 1986. This law requires businesses to inform Californians about exposure to chemicals known to the State of California to cause cancer, birth defects, or other reproductive harm.

What the Regulation Means

- Proposition 65 mandates that the State of California maintain and publish a list of chemicals known to cause cancer or reproductive toxicity.
- The list currently includes over 900 chemicals, which may be found in consumer products, manufacturing processes, or as byproducts.
- Businesses must provide a clear and reasonable warning before knowingly exposing individuals to any listed chemical above established safe harbor levels.
- **The law applies to products sold or distributed in California, regardless of where they are manufactured.**

Based on internal quality controls, the products referenced in this declaration do not intentionally contain any chemicals listed under California Proposition 65 above the applicable threshold limits.

We continuously monitor updates to the Proposition 65 chemical list and review our materials and processes to ensure ongoing compliance.
